Smart Features:

- Grana's internationally patented FastFix® quick mount mechanism makes it possible to mount a faucet in only 30 seconds, compared to the traditional 30 minutes. Mounting is done from the top of the sink so the assembler doesn't need to go crawling under the sink, unlike with ordinary faucets. FastFix® saves both time and money!
- Made from high-quality, low-lead brass. Safer Drinking Water from Every Grana Faucet!
- With EcoClick water saving cartridge which subtly reminds you to consider your water usage.
- The ø10 mm connecting hoses are permanently attached to the faucet. Flexible and safe braided FlexPEX hoses are 55cm long and color coded. Improved protection against water damage and easier to install!
- Low noise *Class I* faucet which operates at less than 20 dB (at 3 bar).
