Technical information

Retro Rain Shower Set ROSA with single lever shower faucet :

Set Includes:

- Retro Rain Shower Set ROSA with single lever shower faucet
- Ø 20 cm retro rain shower head (stainless steel)
- Telescopic shower column (high-quality, lead-free brass)
- Retro hand shower (stainless steel)
- Shower hose
- High quality, pictorial installation and maintenance guide:
 - Download manual here: (PDF 6.65 MB) [English-Finnish-Swedish-Estonian-Latvian-Lithuanian-Danish-Norwegian-Russian](#)

Smart Features:

- The ROSA shower head might look vintage but inside it has an ultra-flat shower head which minimizes water drips after use and prevents limestone deposits.
- The ecological rain head showers use only 9-10 litres per minute and also work with a low water pressure. The rain head shower wets immediately due to the 1.5 mm water column.
- Telescopic height adjustment (95 cm – 135 cm) allows installation to spaces of different heights, even those with lowered ceilings.
- Moveable wall bracket enables mounting even on existing screw holes. Replace an old shower and keep your ceramic tiles clean of extra holes.
- Handheld shower turns 360 degrees: the hose doesn't get twisted.
- ROSA has single-lever functionality (unlike its *ancient* inspirers) with EcoClick water saving cartridge which subtly reminds you to consider your water usage.

Rain Shower Installation:

If the subtitles don't show automatically, turn them on at the bottom of the player.

Nordic Approvals:

All GRANA-faucets will go through the demanding Nordic Approval Scheme. Testing will include structural stability and suitability for contact with drinking water. GRANA faucets comply not only with EU Regulations, but also with national Nordic Building Regulations. The Finnish STF certificates can be found [here](#) (currently available only in Finnish). ([Kitchen Faucets PDF 192 KB](#)), ([Basin Faucets PDF 192 KB](#)).

Additional testing reports for sound levels, water flow, durability and for the content of heavy metals such as lead and cadmium can be found [here](#). The test documents are currently available in Finnish only but you can easily check the results from the charts.

5-year warranty:

The ROSA Rain Shower Set has a five-year (5) warranty. The warranty covers raw material and manufacturing faults 5 years from the date of purchase.

Faults caused by normal wearing of the product, wrong installation, misuse, negligent maintenance or problems caused by water impurity are not covered by the warranty.

In warranty matters, do not uninstall your faucet, but contact instead our Customer Service or Product Dealer as soon as possible.

Surface Finish (3):

Chrome, Brushed Steel, Antique Brass.
